### **INSIDE INFORMATION — SUBSTANTIAL DECREASE IN LOSS**

This announcement is made by Ahsay Backup Software Development Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10(2)(a) of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company would like to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 December 2022 (the “**Year**”), the Group expects the net loss for the Year will decrease by over 80% from the net loss of approximately HK\$16.1 million as recorded for the year ended 31 December 2021.

Based on the information currently available, the Board considers that the decrease in net loss was mainly attributable to the decrease in staff cost resulting from the cost control measures imposed, which included team restructuring and salary reduction of the senior management of the Group during the Year.

The information contained in this announcement is only based on a preliminary assessment made by the Board on the unaudited consolidated management accounts of the Group for the Year and other information currently available to the Board, which has not been reviewed or audited by the auditors of the Company or reviewed or confirmed by the audit committee of the Board, and is subject to possible adjustments. Details of the financial information and performance of the Group for the Year will be disclosed in the annual results announcement of the Company for the Year, which is expected to be approved and published on or around 17 March 2023.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.**
